II Health Hazard Data

Vapors may cause irritation to the nose, throat, and respiratory tract.
Repeated or prolonged exposure to concentrations above the Worker Exposure Limit may cause central nervous system depression (e.g., dizziness, weakness, nausea, headaches and/or unconsciousness).
Small amounts of liquid aspirated into lungs can cause chemical pneumonitis which can be fatal. Liquid may be irritating to eyes and skin.
Solvents similar to this product have caused adverse kidney effects in male rats after prolonged and repeated inhalation exposure. Reports have associated repeated and prolonged occupational exposure to solvents with permanent brain and nervous system damage.
Preexisting eye, skin, and respiratory disorders may be aggravated by exposure to this product.

FIRST AID:
INGESTION: DO NOT INDUCE VOMITING. Call a physician immediately.
INHALATION: Remove from exposure. If irritation or breathing problems persist, call a physician.
EYE CONTACT: Flush eyes thoroughly with water for at least 15 minutes, then call a physician.
SKIN CONTACT: Wash skin with soap and water. If irritation occurs, call a physician.

***PEL-TWA = OSHA Permissible Exposure Limit-Time Weighted Average
*Clorox observes a 50 ppm exposure limit in its facilities.

This material is not on the IARC, OSHA, or NTP carcinogen lists.

IV Special Protection and Precautions

Hygienic Practices: Wash hands with soap and water after direct contact. Do not wear product-contaminated clothing for prolonged periods.
Engineering Controls: Use local or general ventilation to minimize exposure to vapors.
Personal Protective Equipment: Wear safety glasses or goggles. Wear chemical-resistant (e.g., nitrile) gloves if handling product for prolonged or repeated periods. Use a NIOSH-approved respirator if exposure may exceed occupational exposure limits.
Keep container closed when not in use. Store away from open flames, sparks, heat sources, direct sunlight, strong oxidants, and corrosives. Do not smoke while using this product.

VI Spill Procedures/Waste Disposal

Waste Disposal: Dispose of in accordance with all applicable federal, state, and local regulations.
